

NOTICE OF INTENT FOR SEISMIC OPERATIONS

R.M. OF MOUNTAIN VIEW NO. 318

2011 CONDITIONS

1. The R.M. of Mountain View No. 318 would like to be assured that all landowners will be notified of your intent for seismic operations.
2. If there are any landowners who do not own the land where you will be working on your seismic operations but live adjacent to where you are intending to complete the seismic operations, we would also ask that they be advised of when the work is to be done and the type of work that you are doing.
3. If you are crossing any municipal roads or are working on our right of way, we ask that we are informed prior to the work commencing and that the roads and right of ways be returned to their original condition after your seismic operations have been completed. If you do not have the equipment to repair any damage, please contact the R.M. of Mountain View No. 318 office and we can arrange to do the work for you with the stipulation that repairs will be billed to your company.
4. The R.M. of Mountain View No. 318 would like to be notified when you have completed your project so that any roads in the project area can be inspected.
5. In order to prevent the spread of clubroot disease of canola and mustard, all equipment entering the R.M. of Mountain View No. 318 from outside of the municipal boundaries is to be thoroughly washed before crossing the border into the R.M. of Mountain View No. 318.
